

## Guinea Pig

# VET GUIDE

### Why go to an exotic vet?

There are SO MANY reasons as to why you should take your guinea pig to an exotic vet.

Here are my top #3

1. They specialise in guinea pigs! They will better understand your piggy than a general practice vet. There is nothing worse than misdiagnosis or incorrect/unsafe treatment. This follows on to my next point...
2. You pay for the quality of care you receive. Would you rather go to your general practice vet 5 times for a problem or just twice at your exotic vet? While the consult may be more expensive, the care ends up cheaper in the long run.
3. Your guinea pig will thank you for it.

### Vets!

The Unusual Pet Vets, Jindalee  
Shop 1/2 62 Loooranah St,  
Jindalee QLD 4074  
07 2104 9499
